More Than Your Number: A Christ-Centered Enneagram Approach to Becoming AWARE of Your Internal World

Beth McCord (Type 9: Peaceful Accommodator) is a best-selling author, teacher, and the cofounder of Your Enneagram Coach (YEC), an organization that reaches millions of people around the world annually. She has spent the past 20 years pursuing her passion to come alongside individuals and help them rewrite their stories, allowing them to see that lasting change, meaningful relationships, and a life of deep purpose is possible. Along the way, she has also trained and mentored thousands of coaches to do the same. This passion is what drove her and her husband, Jeff, to establish YEC and create a community that is a safe place for individuals to explore the Enneagram. Having been trained by the best Enneagram experts and pouring hundreds of hours into advanced certifications, Beth is now a globally acclaimed leader in simplifying the deep truths of the Enneagram from a biblical perspective.

Jeff McCord (Type 6: Faithful Guardian) has served in pastoral leadership for several churches and organizations for more than 20 years. He has a Masters of Divinity as well as multiple certifications in pastoral counseling, family and church mediations, and Gospel Coaching. The Enneagram transformed Jeff's life, family, and ministry, leading him to co-found Your Enneagram Coach (YEC) with his wife, Beth. Providing Enneagram resources to individuals, couples, and groups, their mission is to help people see themselves with astonishing clarity, so they can break free from limiting patterns and experience freedom in Christ.

Together, Beth and Jeff founded and still lead Your Enneagram Coach, one of the largest Enneagram platforms in the world and the only one of its size that teaches people how to use the Enneagram from a faith-based perspective. Their podcast, Your Enneagram Coach, has more than 3 million downloads since it launched in April 2019. In addition to their best-selling books, more than 2 million people have taken their industry-leading Enneagram Type assessment, and more than 2,000 people have enrolled in their Become an Enneagram Coach program, which certifies Enneagram Coaches around the world.
