

**Advance Praise for
Dave Stone's FAITHFUL FAMILIES series**

Praise for *Building Family Ties with Faith, Love & Laughter*

Dave's book is full of no-nonsense, common sense suggestions, and Biblically inspired truth. As a parent of two "under construction" children still finding their way in a fallen world, I am keenly aware of the importance of living a life of faithful integrity in order to actually teach it to my kids. I, of course, have failed miserably on occasion. But then, I didn't have Dave's book like you do!

–**Kathie Lee Gifford**, anchor for "Later Today"

Building Family Ties with Faith, Love & Laughter shares practical tips on how your family can achieve a close-knit love for one another and become each other's best friends!

–**Jim Bob & Michelle Duggar**, TLC's "19 Kids & Counting"

This book is an incredible guide, especially for mothers, to help create that godly atmosphere around our families and in our homes. The example Dave and his family sets proves that his walk is even more powerful than his talk.

–**Heather French Henry**, Miss America 2000

As a mother of three small children, I found this book to be a wonderful tool full of timely and practical advice. I will re-read it often over the next few years as my husband and I strengthen our family ties with faith, love, and laughter.
